

Remarks

Claims 1, 4, 5, and 7-14 were pending in the application. Claim 1 was rejected. Claims 4, 5, and 7-14 were allowed. Claim 1 is canceled without prejudice to or disclaimer of the subject matter recited therein. Claim 1 is the independent claim. Reconsideration in view of the amended application is respectfully requested.

The examiner rejected claim 1 as being unpatentable over Pozatto, in view of Farin et al. Claim 1 is canceled.

It is submitted that all rejections are now rendered moot. It is therefore requested that the Amendment be entered, and the allowed claims passed to issue.

Respectfully submitted,
